

FINAL PROJECT

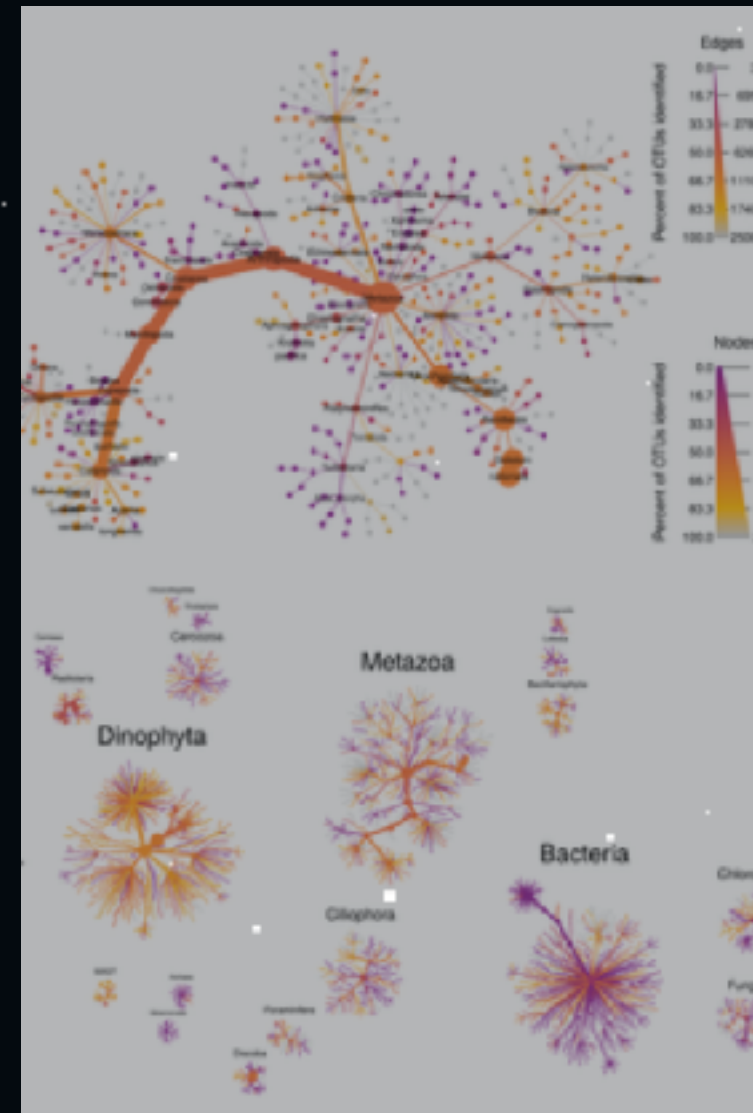

# GALAXSEE

emelia lambros \* ✧ ° . des157

# BACKGROUND RESEARCH

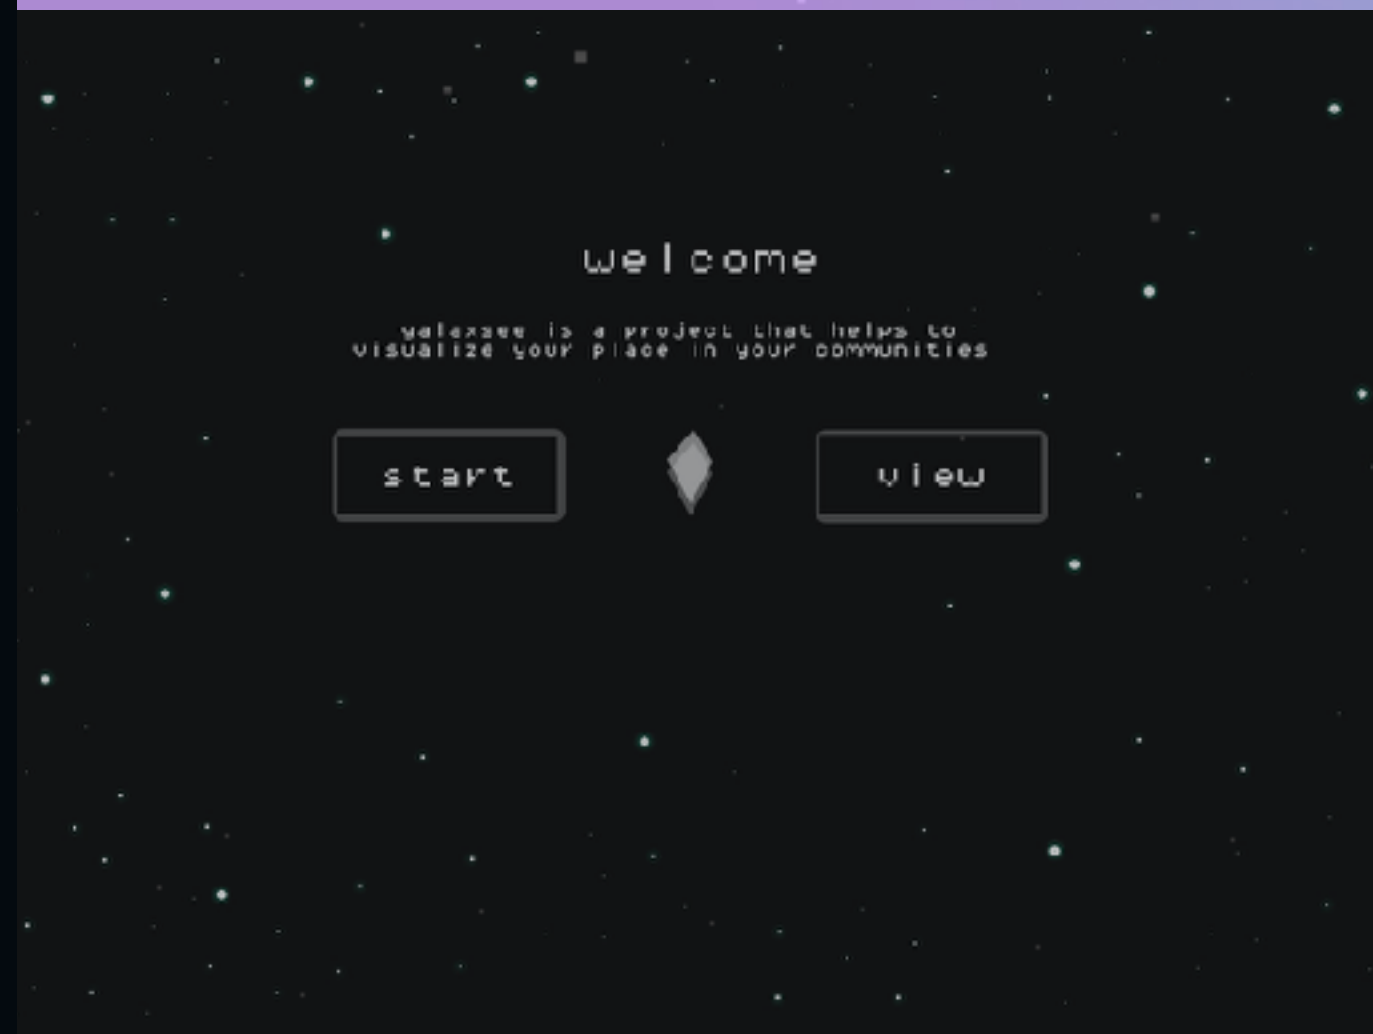

- searching for unique,  
captivating data.
- visualization

- got me thinking about  
solar systems, galaxies...

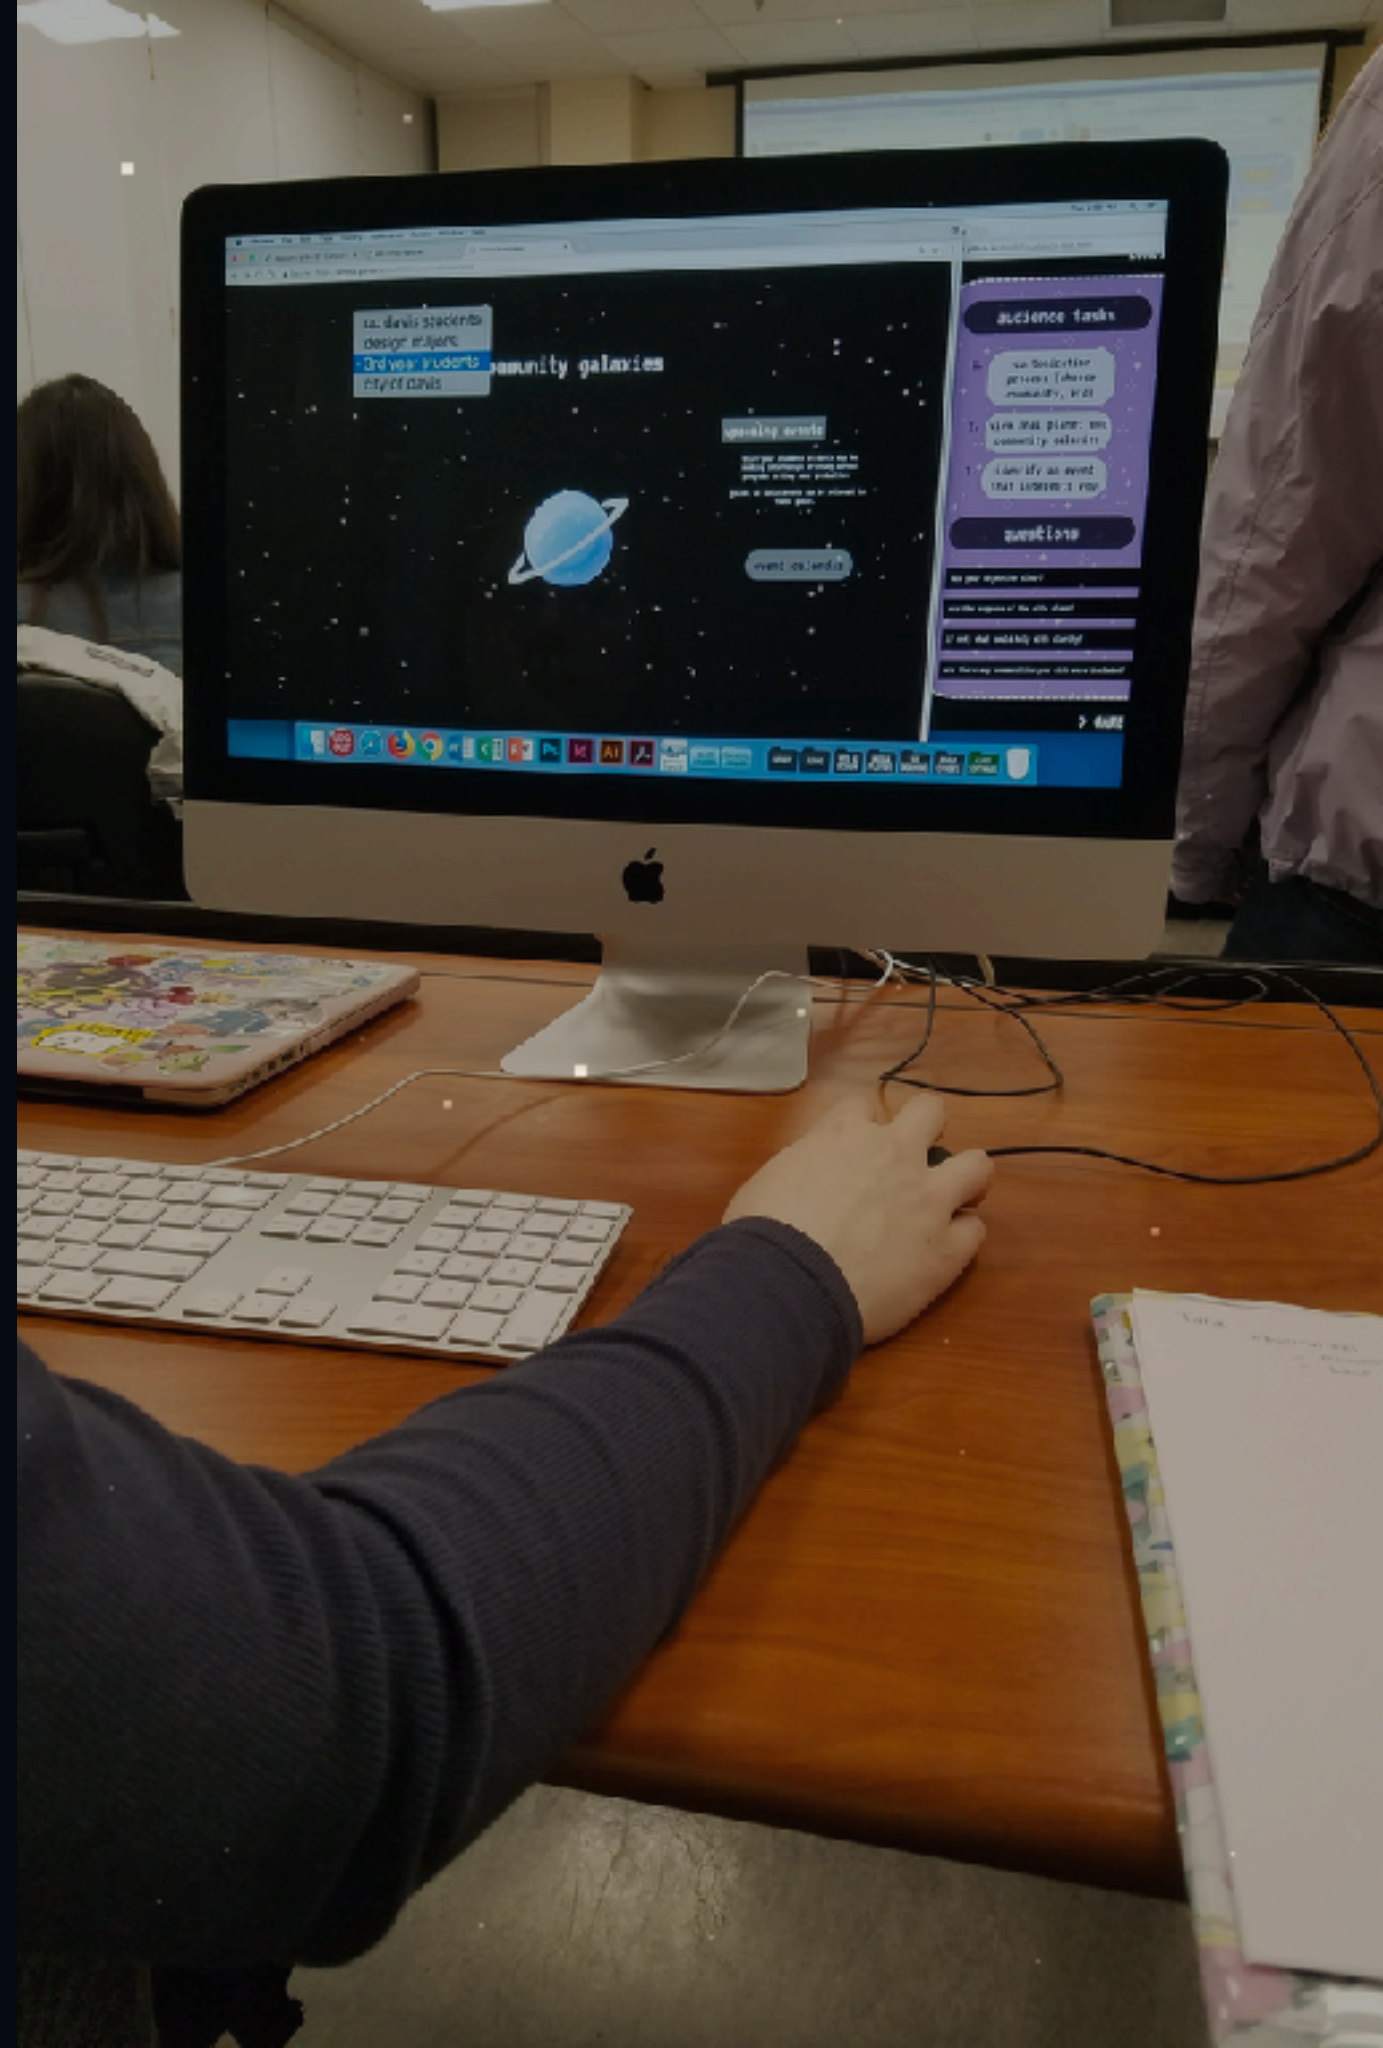

# COMPS

- felt that (1) was too close to my aesthetic comfort zone
- wanted the more neutral mystery of (2)

# AUDIENCE TESTING

- brought glaring issues to my attention
- namely difficulty to backtrack, resetting

THANK YOU
